Environmental Policy of Ladera Resort, St. Lucia

We all the Employees at Ladera Resort strongly believe that we can make a difference and set an example to the world by reducing pollution and improving our Natural Resources in St. Lucia, with emphasis on our local community.

We Commit to:

- Annually improving our positive environmental Contribution.
- Annually reducing our negative impact on the environment.
- Abiding by local laws and environmental regulations with due consideration to international environmental laws.
- Employing our local people, wherever possible, so that the revenue stays in St. Lucia.
- Adhering to our environmental purchasing policy so, wherever possible, we use local products and services with minimal environmental impact.

We believe, by pursuing diligently these actions, Ladera can enhance the quality of life for all by providing a safe, healthy and clean environment for ourselves, our guests, our families, our communities and future generations.
